**PONDEROSA GRILL · HUNTINGTON**

**FATTY'S PIZZA & GRILL · CASTLE DALE**

Whether you want something quick, a gourmet sit-down experience with glorious views of the sunset, or are just looking for groceries, we've got you covered. Check the reverse for detailed info about hours, locations, if spots have kids' menus, and more.

**TACOS LA PASADITA · GREEN RIVER**

## Burger Heaven

Burger's may be all-American, but in Emery County they're the rulers of the world. Get a burger at practically every restaurant. Here for a while? Taste them all and savor the unique flavors.

## Amazing Mexican

Get authentic tortas, tacos, flautas, empanadas, chimichangas, and burritos from a taco truck (Tacos La Pasadita), or dine in what used to be an old cinema (La Veracruzana).

## Shake It Up

It gets hot in the desert, and one of the sweetest ways to cool down is a fresh milkshake. Made-with-fresh bananas shake from Chow Hound? Yes please.

## All about the Sauce...

...fry sauce that is. If you're from Utah, then you already know the deal. But if you're encountering the best-kept non-secret sauce for the first time you'll never eat fries without it again. Practically every restaurant serving fries has it, so get to dipping.

## Keep the "Fry" Thing Going

From sauce to bread, "fry" plays a big part in Utah cuisine. Be sure to try fry bread at several establishments around the county. Try it with butter, jam, and honey, or pile on the meat, cheese, and beans for a Navajo Taco. Get fry bread at the Tamarisk or West Winds in Green River.
